

VASECTOMY REVERSALS

Sheldon Marks
M.D.

One of the nation's top vasectomy reversal specialists, Dr. Marks performs more reversals each week than most urologists do in one year. As one of the busiest and most respected doctors in his field, Dr. Marks' skill and expertise allows him and his top-rated team to achieve the highest rates of success for their patients, whether their vasectomies were performed two or even 42 years ago. Dr. Marks has performed more than 3,000 reversals in the past 20-plus years, with patients traveling to Arizona from every state in the United States and from around the world. He limits himself strictly to vasectomy reversals, and as a result has been able to achieve world-record results.
